[illegible][illegible]

Before  
we met,  
I thought you might  
be all serious since you  
work with data  
management.

45-120

You do  
not have  
the access  
privileges to  
manipulate  
data.

For  
Baselard,  
impossible.

Ooh!  
Ooh!

If  
only I  
had such  
a wonderful  
ability,  
too~

Base  
wants to  
freely change  
bottle  
stages,  
too!

How  
do you  
do it?

Really?!

I will  
look into  
it for next  
time.

It  
would've  
been nice  
to play  
at Baaze  
Castle  
...

Funya~  
No access  
privileges,  
huh...

The  
test is  
over.

We're  
bringing you  
back now.

Stylet,  
Baseland.

That's  
all for  
today

We'll  
come  
back  
~!

See you,  
Architect!

How was  
it for you,  
Architect?

It  
was  
fun!

"It was fun"

Both  
Stylot  
and  
Baselard  
have  
masters.

Alright,  
we'll be  
going  
then.

I see...  
That's  
good.

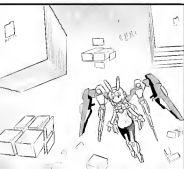

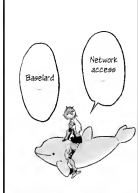

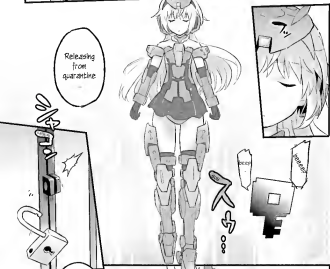

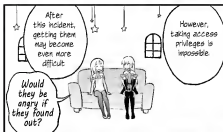

あー だー だー だー だー

And  
we forgot  
to make an  
important  
confirmation

Oh right  
We need to  
bring this up with  
the chief to get  
permission on  
this issue

!

Do  
you have  
any intention  
of staying by a  
master's side  
if you were to have a  
physical  
body?
